Substance Use Disorder

- MAT - Medication-Assisted Treatment on site for Opioid Use Disorder
 - Screening
 - Counseling
 - Monitoring
- Inter-agency referrals and case management
- Intake, screening, assessment
- Access to meetings
- Individual treatment planning

Counseling and Therapy

- Individual Counseling and Therapy is available to all ages in a warm, safe, and professional environment
- The Clinic will provide appropriate treatment planning and coordination of care that can be facilitated with the completion of a diagnostic assesment
- We support adults and children with access to:
 - Individual counseling
 - Equine Therapy
 - Mindfulness and Stress Reduction
 - Individualized Treatment Planning
 - Client-Centered Care

Tribal Opiod Response

- MAT - Provide opioid misuse prevention, treatment, and recovery support services for the purposes of addressing the opioid abuse and overdose crisis

Youth and Family Trees

- An integrated, wraparound system of care to expand comprehensive treatment, early intervention, and recovery support services for youth (12-18), transitional aged youth (16-25), their families/primary caregivers with substance use disorders (SUD) and/or co-occurring mental health disorders
- SUDs early intervention and prevention; increased community participation, strong collaborative working relationships and formalized agreements among agencies

Native Connections

- Will increase access to culturally-appropriate substance abuse and suicide prevention programming
- Will provide mental health services for age 10-24 American Indian/Alaska Native youth and young people living in Siskiyou County especially those youth residing on QVIR
- Will increase community engagement and strengthening service delivery

Our Responsibilities to You:

- Provide consistent, high quality dental, medical, and behavioral health care
- Maintain confidentiality
- Treat you with dignity and respect
- Respond to your calls and requests in a timely manner
